REMARKS

Examiner Doan has rejected claims 1 and 3 of the present application. For the reasons which follow, applicant respectfully traverses this rejection of the Examiner. The applicant does, however, wish to extend appreciation to Examiner Doan for the quite detailed review of the claims of the present invention leading to the finding of patentable subject matter of the claims of the present application and an indication of the allowability of claims 2, 4 and 5 if rewritten.

Claims 2, 4 and 5 have been placed into independent form including all limitations of claim 1 from which they directly depended. Thus, it is respectfully submitted that claims 2, 4 and 5 and the claims which depend therefrom are in condition for allowance for the reasons recognized by Examiner Doan. Such favorable action is respectfully requested.

In view of the foregoing amendments, Applicant submits that the application is now in a condition for allowance and such action is respectfully requested. If any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, he is urged to contact Applicant's attorney at the exchange listed below.

Respectfully submitted,

Tien-Jen Tien
